

1. While the Wilson Moot Official Rules do not require mooters to provide titles and/or preferred pronouns on mooters' counsel slips, mooters are welcome and encouraged to provide their titles and/or preferred pronouns on their counsel slip, as part of their Zoom participant name, and/or orally to the Judges during a round.
2. The "counsel table" referred to in paragraph E of Part IV of the Official Rules includes a team member acting as non-oralist counsel.
3. Mooters are permitted to join the virtual hearing from the same location, if permitted by applicable laws and their school's rules on in-person gatherings. All counsel, including non-oralist counsel, must be visible at all times during the round if the team appears in the same location.
